The English Hub agrees to:

1. Identify areas for support in discussion with the school.
2. Support the partner school to meet the criteria in the Challenge Checklist.
3. Provide at least 6 days' support from a literacy specialist.
4. Provide financial support for supply cover during the days of support.
5. Communicate frequently with the partner school to discuss progress and challenges.
6. Ensure data for partner schools is collected and analysed internally to ensure support is best tailored to the partner school.

The partner school receiving intensive support agrees to:

1. Commit fully to receiving support through the project from the period **September 2024** to **July 2027**.
2. Commit to all elements of the Challenge Checklist.
3. Commit to providing additional support to pupils not meeting the minimum expectations of progress as stated in the chosen SSP programme.
4. Share all requested documentation and data with the English Hub in line with the agreed action plan and know information may be shared between the Hub, the Department for Education and the English Hubs Council.
5. Ensure that there is an identified and suitably experienced **KS1 reading / Phonics leader** in school with **appropriate time** to support the implementation of the changes identified and agreed.
6. Ensure the reading leader sets up and runs **regular practice** and coaching sessions for the reading team.
7. Ensure that the Headteacher and all teachers and support staff in Reception, Year 1 and year 2 (as a minimum) attend the funded SSP training. (If not already done)
8. Ensure that all Reception and Year 1 and 2 teachers follow your chosen phonics programme **(SSP name)** with fidelity throughout the intensive support period.
9. Commit to using only **SSP Resources** for the duration of their membership as a partner school of the English Hubs programme, consulting with the English Hub if they feel they need to change their SSP programme for any reason.
10. Agree to, and cooperate within a reasonable timeframe, any quality assurance activities, including visits by representatives of the English Hubs Programme
